WASHINGTONVILLE ATHLETIC DEPARTMENT

FALL SPORTS REGISTRATION

Washingtonville Athletic registration for the Fall 2022 Season will be available on Family ID starting next month (see dates listed below).. Students must be registered and have their registration cleared by the school nurse prior to participation. When you register, the system will keep track of your information through your Family ID profile. Parents enter the family information only once for each student member for multiple uses and multiple programs during our three sport seasons. You only need to create an account one time. All students must have a current physical (physicals are good for one calendar year). Physicals are given during the school year by appointment only, please have your son/daughter make an appointment with the school nurse as soon as possible if they need an updated physical. You may also access family ID through the Washingtonville High School website under Athletics.
